https://geneshaverportfolio.herokuapp.com/portfolio

With a passion for crafting, building, and seeing my creations at work I look forward to putting that passion to work on web design. Please visit my portfolio to see my creations thus far.

Technical Skills

Languages: HTML, CSS, Javascript, C
Frameworks/Libraries: Express, Node, SQL, MongoDB, React, Bootstrap, Jquery
Industry Knowledge: Git, RESTful API, MERN Stack, OOP, MVC paradigm
Tools and Technologies: VSCode, Github, Heroku, Slack, Zoom

Projects

Phasmaphobia ghost filter https://github.com/gshaver82/phasmaphobia-ghost-filter
https://phasmaphobia-ghost-filter.herokuapp.com
A clean simple ghost filter for the video game Phasmaphobia. Takes confirmed or excluded clues and tells the user what ghost(s) fit the criteria, and also what remaining clues are valid.
React, Javascript, HTML, CSS
Recipe Box https://github.com/PeterBaker644/Recipe-Journal https://project-3-recipe-box.herokuapp.com/
Group project designed to authenticate users for recipe creation and saving.
React, Javascript, HTML, CSS, firebase, Oauth, Mongo, many secondary packages
Mixtape https://github.com/PeterBaker644/Mixtape https://project-2-mixtape.herokuapp.com
Group project designed to be a social media music sharing website. Built on 4 linked SQL tables for users to vote on their favorite playlists.
Javascript, HTML, CSS, JQuery, SQL, Sequelize

Experience

Hewlett Packard 2008 – Present
Customer support solving any and all printer related problems. Starting duties were onsite break fix technical work repairing printers. In 2013 I was trained up to level 3 tech, all break fix issues 100% my responsibility. In 2019 Remote install supervisor/admin duties were added to my responsibilities.

Education

UMN Full stack web development bootcamp Sept 2020
24 week 240 hours intensive course. Experienced in solo projects, and group projects as leader and follower.
Harvard CS50 2020
University of Houston 2000-2004
B.S. Physics
